PROJECT INFORMATION UPDATE

May 1, 2018

The Federal Highway Administration, Central Federal Lands Highway Division (FHWA-CFLHD), in cooperation with Forest Service– Stanislaus National Forest (STF) and Tuolumne County, is improving a portion of Buchanan Road. Road improvements start at Carter Street and end at Fish Hatchery Road. Replacement of the Buchanan Mine Road Bridge is also included in this project.

Work between Carter Street and Canyon Drive which will impact traffic began on April 30 with drainage improvements. Pulverization of the existing pavement will begin May 7 with paving beginning May 14. Work will continue from Canyon Drive to Fish Hatchery Road and on the Buchanan Mine Road Bridge.

The expected completion date for the entire project is September 28, 2018.

- **Between Carter and Canyon Drive expect single-lane closures with alternate one-way traffic control up to 20 minutes between 8 AM and 5 PM Monday through Saturday through May 31.**
- **Between Canyon Drive and Fish Hatchery Road expect single-lane closures with alternate one-way traffic control and up to 30 minute delays between 6 AM and 7PM Monday through Saturday. Outside of normal work hours expect temporary traffic control with single lane closures with either STOP/Proceed When Clear signs or Temporary Traffic Signals.**

Work is weather permitting and subject to change.

For additional ongoing construction operations time's, motorists can call 1-866-852-6661.

Thank you
