RESIDENTS REDUCING WILDFIRE RISKS

Tuolumne County

Firewise Community Grant Program

Tuolumne County has received a grant to assist local communities with the outreach and education associated with becoming a Firewise USA site. Grant funds are available to both established Firewise communities and communities that have formed a committee and are actively working towards completing the process of becoming a Firewise USA site.

Firewise Community Name: _____

Where is your Firewise community located? _____

Community Contact Name: _____ Phone: (____) _____

Mailing Address: _____

Email: _____
