

## Save the Date!

October 17, 2013

1:00 to 4:30 PM

Groveland Comm. Hall

State Highway 120, Groveland, CA

# Recovering from Wildfire – resources for private forest landowners

Presented by:

University of California Cooperative Extension, Natural Resource Conservation Service, and the Tuolumne County Resource Conservation District

## Workshop Objectives:

- Present information on the role of wildfire in forest development and change
- Describe post-fire issues and treatment options for private landowners
- Provide information on post-fire treatment cost-share programs for private landowners
- Provide information on professional assistance for post-fire treatments

## Who Should Attend:

Forest landowners affected by the Rim Fire, citizens interested in the future of forests after wildfires, staff and decision makers with state, local, federal and tribal agencies concerned with forest management, defensible space, and water quality.
