INVESTIGATION:

On 1/12/21 at approximately 2030 hours, I arrived at the investigations office and met with Sgt. [redacted] and Inv. [redacted] The investigations office was clear of all other staff. Sgt. [redacted] confirmed he admonished Det. [redacted] and Det. [redacted] of the confidentiality order pertaining to the internal affairs investigation. Sgt. [redacted] directed me to a workstation where the Cellebrite software was installed and the extraction report was ready to be viewed.

Cellebrite is a software program designed to extract information from electronic devices, primarily mobile devices, cell phones. I am a certified to conduct data extractions, prepare reports and analysis of extracted information utilizing the Cellebrite software system. I generated and instant messenger conversation report identifying [redacted] as the owner and utilizing mobile +[redacted] and Deputy Vince Lee as +[redacted] [redacted] phone listed V. Lee's number under the contact, "My Fav Officer Vince."

The instant messenger conversation report revealed (159) text messages between V. Lee and [redacted] The first text message in the conversation report is date and timestamped as, 7/26/2020 at 1427 hours. The last message in the conversation report is date and timestamped as, 10/10/20 at 1813 hours. The conversation report is 41 pages and shows each text message in conversation bubble format. [redacted] text messages are shown in green bubbles and V. Lee's messages are shown in blue bubbles. ***(See attached Conversation-Instant Messenger Report for full details of text messages.)***

The instant messenger conversation report did not show digital photographs shared during the text conversation. I generated a report of all photos stored in [redacted] phone. I located (107) photos stored as screen shots for a total of (28) pages. Screen shots are photos that capture any image being displayed on the screen of a cell phone. Screen shots are commonly used to document text message threads and other information that is not easily stored by electronic file. All (107) screen shot photos stored in [redacted] phone, were saved in chronological order and in sequence. The photos and comments of the screen shots correspond with the Conversation-Instant Messenger Report. The first screen shot is a photo of V. Lee's contact information as it appeared in [redacted] phone. The last five screenshots appear to be duplicate. The 28th page is a standalone screen shot; it is not apart of the text conversation.

The 28th page appears to be a screenshot of [redacted] email account, the message alleges [redacted] has been, "sexually harassed while being taken to jail" and "propositioned by deputy who was supposed to help her." [redacted] refers to herself as less fortunate and unable to receive justice based on her economic status. ***(See attached Screen shot photos)***.

I generated a third report referred to as a Data File Report. The data file report indicates when the screenshots were created and identifies the device in which they were created. The results of the data file report indicate all the snapshots were created with [redacted] cell phone between the dates of 8/17/20 through 9/25/20, at different times, for a total of (107) files with (1) data file transferred. The Data File Report is (31) pages. ***(See attached Data File Report for details.)***

On 1/13/20, I conducted a comparative review all three Cellebrite reports. The reports confirm [redacted] and V. Lee engaged in several hours' worth of text messaging. The first text message was sent from [redacted] on **7/26/20 at 1427 hours and continues until 7/26/20 at 2215 hours.** A RIMs activity report shows V. Lee responding to a 911 call classified as a disturbance between the hours of 1424 and 1558 hours, this was V. Lee's last call for service during his shift.

The text messages initially can be described as flirtatious and quickly escalates to more explicit messages. V. Lee worked the dayshift on 7/26/20, his shift started at 0600 hours and ended at 1800 hours. A GPS report confirmed V. Lee's patrol vehicle arrived at his temporary residence on [redacted] at approximately 1807 hours, and no further movement is recorded from the patrol car.

After the initial text messages of [redacted] injuries, [redacted] writes, "***Maybe you will see more of me soon, hmm"*** to which V. Lee responds with, ***"Send whatever you want this is my personal phone not my work phone."*** [redacted] texts V. Lee informing him of her webcam girl business. To which V. Lee responds, "***Did you really do that? That's badass.***" In between these text messages there are random questions about obtaining restraining orders to which V. Lee provides responses to [redacted] inquires. At approximately 1741 hours, [redacted] confirms she is a webcam girl, ***"Yes, I did $6 a min all by myself in my room with a lap top u wouldn't mind that."*** V. Lee responded to [redacted] with, ***"Damn, you're gonna get me in trouble!"***

V. Lee continues dialogue with [redacted] complimenting her on her status as a webcam girl. At one point, V. Lee asks for a preview and assures [redacted] he won't show anyone. V. Lee follows up the request with, ***"What kind of stuff do you do?"*** [redacted] responded with, "***If you were in a relationship would you pay for 10 mins to watch me play with myself?" "I'd pay you with like Venmo or something to FaceTime. Would you do that?"*** [redacted] indicates she would, ***"Do a naughty FaceTime only cause u r so freaking cute hot especially in your uniform I almost died when you walked in dam u r fine."*** Both V. Lee and [redacted] engage in phone sex via text messaging. V. Lee tells [redacted] he fantasizes about rough sex and writes, ***"I like older women. Especially when they're wild. A lot of dirty talking. Calling yourself my little whore and shit like that."***

[redacted] and V. Lee exchange messages about their relationship being, "Risky," and they both assure each other nobody will get in trouble. V. Lee wrote, ***"I'll trust you."*** [redacted] responded, ***"Same here usually I don't care how fine u r I didn't trust cops no more after last summer."*** There are several text messages about whether one another has children, then the conversation turns to V. Lee thanking [redacted] for all the pictures and describing them as, ***"So hot."*** The conversations turn to texts about personal grooming and V. Lee writes, ***"Lets see you. I wanna see every inch of your naked. All of it."*** [redacted] describes, ***"riding you like one of my barrel horses."*** V. Lee replied, ***"You would look so hot bouncing on my hard cock."*** Both [redacted] and V. Lee exchange several more text messages and pictures prior to ending the conversation. [redacted] closes the conversation by texting, ***"Thank u still great to meet an officer that is human and real than u."*** **(See attached Cellebrite reports for full details).**

On 7/27/20 at approximately 0750 hours, V. Lee started entering information into [redacted] case 20-2188. V. Lee listed the associated crime as assault (242 PC) and attached several photos of injuries to [redacted] face. At about 1240 hours, the location is added to the case and there are no further updates to the case on 7/27/20.

On 7/28/20 V. Lee updated [redacted] case with; [redacted] [redacted] [redacted] and [redacted] as being connected to the case with a status of (Mentioned).

On 7/31/20 at about 1320 hours, [redacted] texted V. Lee, ***"Hi it's [redacted] I'm texting u for my case number so I can go get my restraining orders done."*** V. Lee responded, ***"I'll get it to you in a couple hours when I get to work."***

On 8/3/20 at about 1015 hours, V. Lee sent [redacted] her case number via text message. ***"Case number is 20002188. Can you send the photos of your injuries again please?"*** V. Lee changed [redacted] [redacted] and [redacted] connection to the case from (Mentioned) to (Suspect). [redacted] connection was changed to (Witness). At 1016 hours, V. Lee issued [redacted] case a status of: Refer to District Attorney and a disposition of: Refer for Criminal Complaint. At 1018 hours, V. Lee changed the case status to: Deputy Conducting Follow-up and the disposition to Information Only. V. Lee included three solvability factors; Physical evidence, Suspect(s) can be identified and There is a witness to the crime.

On 8/4/20 at about 1058 hours, [redacted] responded to V. Lee via text message. ***"Yes, I will anything happening with that yet?"*** V. Lee responded, ***"No. I don't have any control in that. I just write a report and send it to the DA. Right now, all I have is what you said happened and what Mr. [redacted] said. Good chance nothing criminal will come out of it but it's still good to get it documented."***

Between 8/4/20 and 8/9/20 V. Lee views multiple portions of [redacted] case, adds photo and information to the narrative. The case is completed and approved by Sgt. [redacted] on 8/9/20 at 1417 hours. The case was never routed to the district attorney's office. V. Lee's narrative does not list a specific reason why the report was not routed to the DA's office; however, it is documented he attempted to contact [redacted] [redacted] and [redacted] by phone and was unsuccessful. V. Lee did not access [redacted] case after 8/9/20.

Administrative Leave

On 1/13/21 at about 1800 hours, I called the Deputy Sheriff's Association (DSA) President [redacted] to inform him of my intent to place V. Lee on paid administrative leave. [redacted] did not answer; therefore, I contacted Sgt. [redacted] who was on duty as the patrol watch commander. Sgt. [redacted] is the former DSA President. I briefed Sgt. [redacted] and asked him to accompany V. Lee to the main office conference room. Sgt. [redacted] confirmed he was willing to act as V. Lee's union representative while I served him with a notice of administrative leave.

Sgt. [redacted] and V. Lee arrived at the conference room. Sgt. [redacted] was present while I admonished V. Lee of his notice of administrative leave. V. Lee told me he was confused and didn't know why he was being placed on administrative leave. I directed V. Lee's attention to the summary of the notice, which included an order not to contact, "[redacted] V. Lee read the summary to himself after I read it aloud to him. V. Lee asked if he could give a statement "***now***" to clear everything up. I informed V. Lee it would be in his best interest to maximize his protections by contacting the labor attorney, Jason Jasmine. Sgt. [redacted] assured V. Lee that Jasmine would be able to explain the process.

V. Lee asked me to clarify the situation, because, ***"he had no idea why he was being put off."*** I asked V. Lee if he would be willing to consent to a search of his personal cell phone. V. Lee seemed unsure as how to answer and Sgt. [redacted] assured him the best thing to do would be to contact Jason Jasmine first. I told V. Lee I agreed with his representative's advice and ordered him not to delete, destroy or erase anything from his personal phone. V. Lee said he understood. I provided V. Lee a copy of his notice of admin leave and informed him I would provide a notice of investigation when it was complete. Sgt. [redacted] accompanied V. Lee to his house and assisted in collecting his department issued firearms and badge.

Notice of Investigation

On 2/4/21 at approximately 1800 hours, I met with V. Lee in my office and served him with a notice of investigation. V. Lee read the letter and said, ***"I can't wait for this to be over. This isn't who I am. I want you to know, I will be honest in any way I can."*** I told V. Lee to prepare himself for his interview and to stay as positive as possible while navigating the stressful process. V. Lee thanked me for my time and left with his copy of the notice.

On 2/9/21 Detective [redacted] drafted a supplemental report to V. Lee's original investigation, (Case #20002188) regarding [redacted] report of being assaulted. Det. [redacted] interviewed [redacted] and obtained a confession that he did call [redacted] and [redacted] to remove [redacted] from his residence. Det. [redacted] interviewed [redacted] who confirmed [redacted] called her to have [redacted] removed from his property. [redacted] confirmed [redacted] and [redacted] accompanied her to [redacted] residence on [redacted] Det. [redacted] forwarded his investigation to the DA's office for a review of the following charges: 182 (a) PC, conspiracy to commit felony domestic violence; 273.5 PC and 242 PC, Battery on a person. (See Det. Donaldson's supplemental report to Case #20002188 for details).

STATEMENTS:

Statement of Deputy Vince Lee (Summary)

On 2/18/21, at 1003 hours, I spoke with Deputy Vince Lee of the Tuolumne County Sheriff's Office in the presence of his legal representation, Jason Jasmine. I recorded our conversation. I explained to Lee the nature of my investigation. I explained and read the admonishments verbatim to him. Lee signed and initialed the appropriate portions. The following is a summary of our conversation.

Lee has been employed with the Tuolumne County Sheriff's Office for five years as a deputy sheriff. Lee is a K9 handler, which is specialized assignment to assist patrol functions with the special capabilities of a law enforcement service dog. Lee is required to attend specialized training to be a K9 handler and receives more training than the average patrol deputy. Lee completed a P.O.S.T certified law enforcement academy in Stanislaus County. Lee possesses a basic post certificate. Lee is current with his state mandated perishable skills training. Lee confirmed he successfully completed a law enforcement academy where he learned how to investigate crimes such as; battery, domestic violence and the procedures associated with documenting the incidences in a criminal report. Lee is familiar with the term, "cycle of violence," but was unable to describe the definition; after refreshing his memory, he confirmed the meaning. Lee has been involved in approximately (100) battery investigations and approximately over (50) investigations associated with domestic violence. I asked Lee to describe the standard practice of investigating battery or domestic violence. Lee described in sequence, securing the scene, collecting evidence, collecting statements, completing necessary forms, obtaining restraining orders if needed and making arrests. I asked Lee if the standard practice would include authoring a report. Lee responded, ***"Yes, it would."*** I asked Lee what the disposition would be upon completion of the report. Lee said, ***"you would refer it to the district attorney's office."*** Lee explained not all cases get sent to the DA's office and some factors to consider are; enough evidence, ***"some reports are just for information and to have documented."*** Lee confirmed the procedures of how the report is authored doesn't change based on the disposition. I asked Lee if the disposition changes based on his opinion of the alleged crime. Lee said, "When in doubt, just send it to the district attorney." I asked Lee if that was a common practice for the Tuolumne County Sheriff's Office. Lee said, ***"I don't know if anyone taught me that, but you just kind of pick things up over the years."***

I asked Lee if he is familiar with the report language, forward to district attorney for review of charges. Lee confirmed he was familiar with the language and stated he has submitted reports to the DA's office for review. I asked Lee if he knew what color of authority meant. Lee said, "***Yes, but I don't think I could say the definition."*** I asked Lee to generically describe the term in his own words. Lee said, ***"It's basically when an officer uses his power."*** Lee confirmed color of authority applies when people recognize and submit the authority given to peace officers, whether on or off duty. Lee received training on the color of authority at the academy and at the sheriff's officer.

I asked Lee when the first time he was involved with [redacted] was. Lee confirmed his first contact with [redacted] was in July of 2020. Lee remembers [redacted] reporting a crime in the Sheriff's lobby while he was on duty. Lee said he responded to a 911 hang-up incident prior to meeting [redacted] in the lobby, but clarified he never contacted [redacted] in connection with the 911 incident. Lee described responding to the [redacted] address and conducted a patrol check of the property on foot, due to a locked gate. Lee was unable to locate anyone on the property or at the residence. Lee said he did not remember associating the 911 hang-up incident with [redacted]

I asked Lee to describe his contact with [redacted] in the sheriff's lobby. Lee described [redacted] incident as, ***"pending for a while,"*** he responded. After arriving at the lobby, [redacted] told Lee she was assaulted by multiple females at her house and she was in possession of evidentiary photos on her cell phone. Lee said he remembered [redacted] saying, ***"[redacted] had someone beat her up."*** I asked Lee how long he was talking with [redacted] in the lobby. Lee said he couldn't remember but clarified he would argue with approximately 11 minutes. Lee had difficulty remembering if [redacted] stated why she felt [redacted] was responsible for the attack. Lee clarified he attempted to contact all the accused parties associated with the case and was only able to contact [redacted] I asked Lee if there was anything about [redacted] statement or complaint, he felt lacked credibility. Lee said, "No." I asked Lee if there was anything [redacted] did that led him to believe she wasn't telling the truth. Lee said, "No." Lee didn't remember seeing any injuries on [redacted] while he met with her in the lobby. Lee clarified he has seen [redacted] in passing, but never met with him in person regarding [redacted] case.

I showed Lee a printed copy of case 20002188, he confirmed it was the report he authored for [redacted] incident. I asked Lee to explain the date gaps between the day [redacted] reported the incident to the time the report was initiated. Lee said he wasn't completely sure why the delay. Lee said it could've been a combination of days-off and a need for follow-up. Lee followed up his answer by saying, ***"I should've written the report, submitted it and then completed supplemental reports, but with this one I waited and tried to contact everyone."*** Lee confirmed [redacted] inquired about seeking a restraining order, however, Lee described [redacted] as stating she wanted to obtain the order on her own. Lee did not remember [redacted] describing the altercation as mutual combat but stated if he wrote that verbiage in his report; its accurate.

I asked Lee what happened after he left the lobby. Lee said, ***"That would be an exchange of text messages."*** I asked Lee who initiated the text messages. Lee repeated the question and replied, ***"I'm just going to say I did."*** I asked Lee if the first text message was the photos of [redacted] injuries, he requested her to send. Lee said, ***"I believe so."*** Lee described the photos [redacted] sent as the photos he attached to the report as evidence. I asked Lee how he responded to [redacted] text message of her injury photos. Lee said, ***"I don't remember."***

I explained the three Cellebrite reports I generated from the data stored on [redacted] phone. Both Lee and Jason Jasmine stated they understood the purpose of each report and how they were used to cross reference times and the devices used to exchange text messages and images. I showed Lee the Extraction report summary page and he confirmed his cell phone number matched the contact information stored in [redacted] phone as, "My Fav Officer Vince." Jasmine asked if the screenshots associated with the Cellebrite reports were created by the Sheriff's Office or [redacted] I clarified for Jasmine, [redacted] created the screenshots and the Cellebrite software extracted the screenshots that were stored as photos on [redacted] cell phone.

I showed Lee the four evidence photos of [redacted] injuries and asked him if they were the same photos [redacted] sent to his personal cell phone for the investigation. Lee looked at the photos and said ***"Yes."*** I asked Lee if he responded to [redacted] text message with the photos. Lee said, ***"Yes."*** I asked Lee if he responded to [redacted] text with, ***"You clean up nice! You're welcome."*** Lee said, ***"Yes."*** When asked what the meaning of his response, Lee stated he was trying to bring some humor into a bad situation. I asked if [redacted] responded with, ***"Wow, thanks I needed that."*** Lee said, "Yes," and stated that none of the text messages sounded familiar, but stated he ***"wouldn't dispute any of the information in the reports."*** I explained to Lee the importance of reviewing the reports for any perceived discrepancies. I provided a hard copy of each Cellebrite report to Lee and asked him to review. Lee displayed apprehension about reviewing the reports and stated, ***"I will do my best to make it go smoothly."*** Throughout Lee's interview, he never denied sending or receiving any of the text messages associated with the three reports. Lee admitted all the sent and received messages were consistent with his recollection, and clarified that if he doesn't remember specifically, he is not disputing any of the messages in the reports.

Lee confirmed he doesn't know [redacted] in any other capacity and the day in the lobby was the first time he had ever met [redacted] Lee confirmed [redacted] text messaged him asking, ***"How do I get a restraining order on them all?"*** Lee confirmed he replied with a text that read, ***"On [redacted] too or just the girls." "Just let me know when you need a compliment and I'll give you one."*** I asked Lee if these messages were another example of him bringing humor into the bad situation. Lee replied, ***"That was just inappropriate. I think she initiated something in the lobby, and it was stupid of me to react to it."*** I asked Lee to elaborate on what he perceived as [redacted] initiating behavior. ***"She said something about me looking sexy in uniform and it seemed like that opened the door."***

Lee described [redacted] comments as making him feel more comfortable engaging in flirtatious dialogue via text message. I asked Lee what he was expecting to get out of the text messages to [redacted] Lee said, ***"Just gratification over the phone. I never wanted to see her it was just something that was different. I've never engaged with someone like that on a sexual level, it was just different. And you'll see in there at some point I come to my senses…it was stupid."*** I asked Lee to explain what he met by, ***"Someone like that."*** Lee replied, ***"Someone I met at work."*** Lee described the experience as, ***"Kind of somewhat of a high… I don't know, I'm used to getting a certain kind of girl and this was just different. I can't explain it, it even sounds weird to me: I'm embarrassed."***

I asked Lee if he recalled [redacted] claiming she couldn't trust [redacted] with her life. Lee said, "***That sounds right***," and articulated [redacted] claim seemed to lack credibility based on his experience as a peace officer and being able to, "***get a read on people.***" I asked Lee if he felt [redacted] lacked credibility in her report of battery. Lee said, ***"Not at first, but something didn't seem right with the claim of two girls beating her up."*** Lee confirmed [redacted] questioned him via text about his relationship status, to which he replied he was single. Lee described his relationship during the time of this incident as, ***"single, or going through some stuff."*** Lee is issued a department cell phone for official business. When asked why he provided [redacted] with his personal cell phone number rather than his issued government phone, he said, ***"It was in my car from the end of the night and it was dead, and I don't know the number."***

I asked Lee if he gave [redacted] his personal cell number so she could text him on his personal phone. Lee said, ***"I didn't plan for this to happen like this."*** Lee described the texting conversation as, evolving and not planned. Lee admitted he responded to [redacted] comment of, maybe you'll see more of me soon with, ***"Send what you want this is my personal cell."*** Lee said he has never provided his personal cell phone to any other person associated with work for the purpose of engaging in flirtatious or sexually charged messages. Lee clarified, ***"I have given my number out and of course I talk to girls, I don't want to say the wrong thing, but have I ever given my number out thinking, oh I could probably get some later: no, nothing comes to mind."*** Lee clarified that his response pertained to all persons while on duty and associated with official business.

Lee confirmed [redacted] offered sexual web cam type services, by saying, ***"I'm sure she did."*** Lee confirmed he knew his actions could result in, getting in trouble, but never thought anything would surface about his messages to [redacted] Lee said, ***"At some point I remember thinking what the hell am I doing?" "Eventually I made it clear that I needed to stay professional."*** Lee stated he did not remember texting [redacted] that their actions were, ***"risky,"*** and he ***"liked it."*** Lee confirmed his shift ended at 1800 hours on 7/26/20 and that he was living with a friend temporarily on [redacted] while going through a break-up. Lee messaged [redacted] that he lived in Twain Harte, but never provided her and address. Lee remembers telling [redacted] she was, "***In her prime***," when she told him she was 46 years old. I asked Lee what he meant by the comment, "prime." Lee said, ***"it's basically a nice way of telling someone that's old that they still got it,"*** referring to sex appeal.

Lee is aware of internet pages associated with web-cam girls who perform sexual acts virtually for money; however, Lee stated he has never participated. Lee remembers [redacted] claim to be a web-cam girl; however, Lee didn't believe [redacted] had her own page. Lee said he never pursued trying to find [redacted] profile page on the internet. Lee asked [redacted] for a "***preview,***" via text and assured [redacted] he wouldn't show anyone. I asked Lee what the purpose was of asking for a preview. Lee said, "***A picture of herself.***" I asked Lee if that meant a naked picture. Lee said, ***"I didn't have to be."*** I asked Lee if [redacted] did send naked pictures of herself and he responded, "***I think so***." I asked the following questions in sequence:

Did you expect to get naked pictures from [redacted] Lee said, ***"Uh, I'm going to say no."***

Was there a goal to get a naked picture at any point? Lee said, ***"I wouldn't say that."***

After you asked her what kind of stuff does, she do, she responded with would you pay me $6 a minute to watch me play with myself if you were single; do you recall that message? Lee said, ***"Yes."***

Was this sexual in nature? Lee said, "***Yes.***"

What was the purpose of you responding with, I am single, LOL? Lee said, ***"The door is open."***

I gave the screenshot report with all the photos exchanged between Lee and [redacted] to Lee. Lee stated he didn't want to look at the pictures. I told Lee we needed to ensure the pictures are correct. Lee said, ***"I probably won't remember either."*** Lee sighed heavily and began flipping through the pages of the report.

I asked Lee what the purpose of offering to pay [redacted] via Venmo for a FaceTime virtual sex video was. Lee said, ***"I think just to see if she would do it."***

Was it your intention to pay her for a FaceTime video? Lee said, "***I never did. She FaceTime called me once that night, and I declined it." "I am willing to let you look through my Venmo account. I've never paid a girl for sex, photos, or anything."***

What did you mean when you asked [redacted] what she wanted to have done to her? Lee said, ***"Something sexual. I would give anything to go back in time and change this, but I can't. It was a weird time for me and I'm not making excuses, but I was going through a weird break-up. I don't know what happened, I felt like I wasn't good enough for someone and I grabbed on to the first thing that showed me attention."***

Are you saying this was about the attention factor? Lee said, ***"Honestly, even though it was her, someone who is totally not my type. It still felt good."***

Was it your intent to have violent rough sex with [redacted] as indicated in your message? Lee said, ***"No. In fact we were talking about fantasies and I felt stupid because I couldn't think of anything."***

Would you say these messages are indicative of intentions? Lee said, ***"100% no."***

Do you remember telling [redacted] that she is going to get you in trouble? Lee said, ***"Yes."***

Did you talk to [redacted] about meeting? Lee said, ***"I don't think so. I wouldn't have anyway."***

Was [redacted] reciprocating with all the text messages? Lee said, ***"Yes."***

What was the purpose of telling [redacted] you wanted to see every inch of her body? Lee said, ***"To see her naked. To see if she would send me a picture."***

Do you remember texting [redacted] that she would look so hot bouncing on your hard cock after she told you she wanted to ride you like a barrel horse? Lee said, ***"Yes."***

Did you tell her you were going to masturbate? Lee said, ***"Yes."***

Did you masturbate with her on the phone? Lee said, ***"No."***

Did you text [redacted] that you wanted to see her masturbate? Lee said, ***"Yes."***

Was that your way of trying to solicit a picture or video of [redacted] masturbating? Lee said, ***"Yes."***

Did [redacted] ever send you a video or picture of her masturbating? Lee said, ***"I don't think so."***

What did you mean that you needed to keep things professional because there is a lot of heat on cops lately? Lee said, "***That was my way of saying this needed to stop and that night was just a moment of weakness. I've struggled with this, I'm a Christian by faith and I've never felt so sick with myself. I even feel bad for her because I used her to get attention. That's not who I am and throughout this whole process I have felt like a monster."***

Are the three reports all part of the same text thread? Lee said, ***"Yes."***

Did [redacted] reach out to you after the night of texting in attempts to get case numbers for a restraining order? Lee said, ***"Not really…can I tell you where my mind was. I never wanted to see or speak to her again. I was extremely ashamed of myself and every time she texts me it made me think about her and I couldn't let my mind go back to that."***

Why didn't you send [redacted] case to the district attorney? Lee said, ***"I had every intention on sending it. I didn't even think about why I didn't send it to the DA's office. Court didn't even cross my mind. I would prosecute her the same as anyone else, this was a lapse of my mind."***

Did [redacted] text you for an update of the progress of her report? Lee said, "***Yes***. ***I think she was also trying to get a copy of the report."***

Did you think [redacted] was a drug attic? Lee said, "***Yes,***" and described [redacted] as fitting the profile of a drug attic based on his expertise in narcotic investigations. When referencing [redacted] text message about an alleged drug house in [redacted] Lee said he didn't remember discussing the [redacted] with [redacted]

Were you trying to develop [redacted] as a street level narcotic informant? Lee said, ***"I don't want to make excuses… no I wasn't, and I wouldn't try to work an informant if I was personally involved."***

Are you aware of any incidences involving [redacted] after this incident? Lee said, ***"Yes, the officer involved shooting."***

Anything before the officer involved shooting? Lee said, ***"Not that comes to mind."***

Is it your statement today, that you didn't send [redacted] case to the DA's office because you forgot? Lee said, "***I don't want to make it sound like I forgot. I meant to, but we get large case loads and it got overlooked. I acknowledge that."***

Have you ever been counseled for report writing, or follow-up? Lee said, ***"I think every deputy has been counseled for follow-up or aspects of report writing."***

Are you familiar with the term vulnerable population? Lee said, ***"Yes."***

What does that mean to you? Lee said, "Some people are more vulnerable than others especially during certain situations.

Does that include drug addicts, recovering drug addicts and victims of violent crimes? Lee said, ***"Yes."***

Do you think [redacted] fits into that category? Lee said, ***"Yes."***

Do you recall the incident on December 27th, 2020 where [redacted] called the sheriff's office reporting that [redacted] slashed her tires and hit her multiple times? Lee said, ***"I don't remember that."*** I informed Lee RIMs audit records indicate he was on-duty and viewed the incident to include [redacted] person page while the incident was being investigated by Dep. [redacted] and Dep. [redacted] Lee clarified that it sounded familiar after hearing the details but as of current day he does not remember reviewing the incident. Was there any attempt to conceal your text messages with [redacted] by purposely withholding information from other deputies? Lee said, ***"No, I wouldn't jeopardize anyone else's safety for this."***

How did you become aware of the officer involved shooting regarding [redacted] Lee said, ***"I was on my days off and got a call saying we had a shooting and the SWAT team was in [redacted] and they needed me to come in and work patrol."***

When did you first put the connection together that [redacted] was associated with OIS and [redacted] Lee said, ***"About 20 minutes after I got the call I started looking because I didn't know if one of our guys was shot. I was going to call you and tell you about this."***

Have you talked to anyone else about [redacted] Lee said, ***"No."***

Regarding our discussion about color of authority, is it your opinion that your contact with [redacted] was outside the scope of operating under the color of authority? Lee said, ***"Yes sir."***

*** I paused the recording for a quick break to retrieve Lee's personnel file. ***

I returned to the interview on the record with Lee's personnel file. I re-iterated that earlier in the interview I asked Lee about counseling sessions and developmental feedback from supervisors. Lee described not receiving any counseling that he could remember for inadequate performance.

I informed Lee it was my recollection that he'd received developmental feedback on numerous occasions for; late reports, untimely follow-up, untimely booking of evidence, reports returned for correction and time management.

I reviewed Lee's past evaluations and questioned him on the developmental entries. The first evaluation was for the rating period of January 2020 through July 2020. The evaluation was completed by Sgt. [redacted] and approved by Lt. [redacted] Lee confirmed he remembered the evaluation.

I asked Lee if the evaluation entries highlighting a need to improve time management for report writing were correct. Lee confirmed it was an honest assessment of his performance. I asked Lee what it meant to have a 10% kick back rate for reports. Lee said, ***"It means 10% of my reports get kicked back to me for some form of being incomplete. Can I say something to kind of try and defend myself on that statistic?"***

Jason Jasmine asked for a quick break. I stopped the recording.

Sgt. [redacted] identifies habitual errors with your reports in the form of missing attached documents and not attaching photos. [redacted] states that you write detailed reports but fall short with some form of the process of completing a report. Does this sound accurate? Lee said, ***"Yes sir."*** The evaluation identifies a time when Sgt. [redacted] had to counsel you not attaching photos and documents in a timely manner. Does this sound correct? Lee said, "***Yes."***

The next evaluation discussed was completed by Sgt. [redacted] with a rating period ending December of 2020. Sgt. [redacted] highlighted discrepancies during this time period associated with time management, evidence processing and completing incident reports. Lee confirmed he received the feedback in the evaluation and was aware of the issues. Lee signed the evaluation at the time it was completed.

The next evaluation was completed by Sgt. [redacted] with a rating period ending November of 2018. Sgt. [redacted] documented you have issues with time management and completing reports on time. Has Sgt. [redacted] ever counseled you on these issues? Lee said, ***"All the time sir, mostly verbal counseling."***

This pattern of discrepancies, is this because you bite off more than you can chew? Lee said, ***"Absolutely, there are some nights when I have five bags of evidence on my floorboard and I'm on my way to a domestic violence call. I try way to hard… it drives me crazy when a car passes me, and I know there is something inside it and it needs to be stopped. There are times when I know I bite off way more than I can chew. Sgt. [redacted] and I had a quarrel about time management, I understand."***

I asked earlier if the reason you didn't forward [redacted] case to the DA's officer was for the purpose of concealing your misconduct with her, do you remember that? Lee said, "***Yes sir.***" You said, ***"absolutely not."*** Is that still your statement today? Lee said, "***Yes sir."***

Did you fail to send this to the DA's office because you habitually have poor time management, incomplete reports and have a history of being neglectful of the overall report writing process? Lee said, ***"Yes sir."***

Is it your statement today that the incident with [redacted] is an isolated incident? Lee said, ***"Yes sir."***

Is this the only incident you have engaged in this type of behavior in your career with the sheriff's office. Lee said, ***"Yes sir."***

Do you understand today, I am ordering you not to destroy or tamper with your cell phone in any way, as it may become necessary to this investigation? Lee said, ***"I understand, I still have the same phone. It has a broken screen and I am still using it because I don't want to mess this up."***

I completed my interview and stopped the recording.

On 5/11/21 at approximately 1400 hours, I was made aware of a facebook post authored by [redacted] outlining details of this internal affairs investigation. The message was typed in all capitalized letters.

Summary of [redacted] Facebook post:

"WHY DONT U PROSICUTE YOUR OWN OFFICER VINCENT LEE WHO IS THIS MISSING GUYS BROTHER WHO NEVER EVEN TOOK MY ASSAULT OF 3 ON 1 NEVER REPORT FILLED BUT YET AFTER HAVING TEXT U PICS OF MY BRUISES U TRY YO GET PORN VIDEOS FROM ME FUCKING BULLSHIT IF U ASK ME FUCK OFF TUOLUMNE COUNTY SHERIFFS U SUCK"

I obtained a photograph of [redacted] facebook post and completed a citizen complaint form, per TCSO Policy 1020: Citizen Complaints. I have attempted to contact [redacted] regarding this investigation; however, her phone number has been changed multiple times. I have spoken with the DA's office staff in attempts to contact [redacted] with negative results.

FINAL SUMMARY:

On 7/26/20 at approximately 1400 hours, Dep. Vince Lee was on duty, in uniform and responded to the Sheriff's lobby to take a report of an assault. Lee arrived and contacted the reporting victim, [redacted] Lee alleged in his statement that [redacted] made a comment about "looking sexy in his uniform." Lee met with [redacted] for approximately 11 minutes before leaving the lobby. During his contact with [redacted] Lee gave [redacted] his personal cell phone number for the purposes of sending evidentiary photos of her injuries. Lee did not provide [redacted] with his department issued cell phone. Lee said in his statement, "it was dead from the previous shift and he doesn't know the number."

Lee left the lobby at approximately 1415 hours and was dispatched to a disturbance incident. [redacted] sent (4) evidence photos of her injuries to Lee at approximately 1427 hours, with a typed message of, "Thank u." Lee responded to [redacted] message with, "You clean up nice! You're welcome." For the remainder of Lee's shift and into the night, Lee and [redacted] engage in explicit, sexual in nature text messaging. At various stages of the text messaging, [redacted] asked Lee for advice on how to obtain a case number and a restraining order. Lee provided answers to [redacted] questions; however, the text messaging would segue back to sexual content. There are multiple text messages from Lee to [redacted] requesting explicit photos and videos. At one point, Lee requests a live sex videos in exchange for payment via Venmo. According to Lee's statement, [redacted] called Lee's phone via Facetime; however, Lee said he declined the call. The text messaging between Lee and [redacted] on 7/26/20 ended at approximately 2223 hours.

[redacted] texted messaged Lee the next day, 7/27/20 and Lee responded by explaining he needed to, "Keep things professional because there is heat on cops these days." On 7/31/20, [redacted] thanked Lee and requested her case number so she could pursue a restraining order. Lee told [redacted] he would provide a case number to her in a few hours, "when he got to work." Lee provided [redacted] a case number on 8/3/2020 at approximately 1015 hours.

On 8/4/20 [redacted] asked for a status update on her case via text to Lee. Lee explained that he doesn't make the decisions on filing charges. On 8/3/20, Lee completed a report regarding [redacted] complaint. Lee issued [redacted] case a status of: refer to DA's office for criminal complaint. The audit trail of [redacted] case shows the status of [redacted] report was changed to: Information only, deputy conducting follow-up. Lee said in his interview it was intention to send the case to the DA, but he needed to conduct follow-up and due to an extensive case load [redacted] case was overlooked. Lee continued as the lead deputy of [redacted] investigation and did not re-assign the case to another deputy. Lee's narrative is missing substantial information associated to [redacted] complaint. According to Lee, he was unable to contact the female suspects. The case disposition was never changed from conducting follow-up. There are no entries from V. Lee listed in [redacted] case after 8/9/2020.

On 10/9/20 [redacted] contacted Lee via text message asking for advice and requested to speak with Lee. [redacted] identified herself as, "[redacted] from [redacted] and assaulted by 3 girls no justice." Lee informed [redacted] he was away from work for a while.

On 10/10/20 [redacted] contacted Lee via text message and made an accusation that someone was going to kill her from the, "[redacted] Lee advised [redacted] he was not at work, apologized and responded, "I hope you get the help you need. I don't want to get into trouble for talking to you." There are no text messages indicating Lee directed [redacted] to contact the sheriff's office for help.

On 2/18/20 I interviewed, V. Lee for this internal affairs investigation. I provided Lee copies of the three cellebrite reports. Lee reviewed and admitted the information contained in the reports is consistent with his text messaging to [redacted] during the listed dates. Lee said he understands as a peace officer he operates under the color of authority and identified [redacted] as fitting into the category of vulnerable population based on her status as a victim of violent crime. Lee said, "I would give anything to go back and change this, but I can't."

Lee has no discipline in his personnel file associated with poor report preparation; however, after reviewing his evaluations and based on his statements he has an extensive history of poor time management, evidence handling/processing and completion of reports. Lee admitted to, "biting off more than he can chew," stated it often affects his reports and that he has been verbally counseled by several different supervisors.

No. I don't have any control in that. I just write a report and send it to the DA. Right now all I have is what you said happened and what mr said. Good chance nothing criminal will come out of it but it's still good to get it documented.

Can I get copies of what has been said no contact with the girls who did it yet

Summary:

A fight occurred at [redacted] in [redacted] between [redacted] and three other subjects.

Investigation:

On 07/26/2020, at about 1336 hrs, I was dispatched to the Sheriff's Office lobby in regards to an assault. I responded and met with the reporting party, [redacted] told me the following in summary:

[redacted] was at her residence located at [redacted] in [redacted] boyfriend, [redacted] had 3 guests at the residence. [redacted] and [redacted] said she was walking toward the front door of the residence and [redacted] began to yell at her. [redacted] said she was attacked by [redacted] and [redacted] and [redacted] quickly joined in attacking her. [redacted] said [redacted] just watched the entire time. [redacted] said she tried to protect herself but [redacted] slammed her head onto the ground several times, causing pain to her face. The fight continued for about a minute and [redacted] could feel pain in her rib area. [redacted] said there were no weapons used in the altercation and she never lost consciousness.

6 7/13/2020

[redacted] tried to call 911 but the call was not going through and her phone eventually died. The call came into the Sheriff's Office as a 911 hang up. I was on duty at the time and responded to the address. The gate at the bottom of the driveway was closed and I walked to the residence. I knocked on the door and nobody answered. There was a car in the driveway. I walked along the property and did not locate anyone.

[redacted] requested information on restraining orders and I gave her this information. I gave her a case number for her records.

I tried contacting [redacted] and [redacted] and could not get a hold of them. I was able to obtain birthdays for [redacted] and [redacted] but could not locate one for [redacted] I tried contacting [redacted] at his place of work on six separate occasions. I got a hold of [redacted] on 08/03/2020, at about 1100 hrs via telephone. [redacted] told me the following in summary:

[redacted] witnessed a fight between [redacted] and [redacted] in the front yard of his property. [redacted] described the fight as mutual combat between two individuals. I asked [redacted] if [redacted] and [redacted] were also present during the fight. [redacted] said they were, however they were not involved in the fight. I asked [redacted] what his relationship was with [redacted] and he told me she is a friend who was invited to his residence. [redacted] said he also invited [redacted] and [redacted] to his residence. I asked [redacted] what his relationship is with [redacted] and he told me [redacted] is his girlfriend and she lives with him.

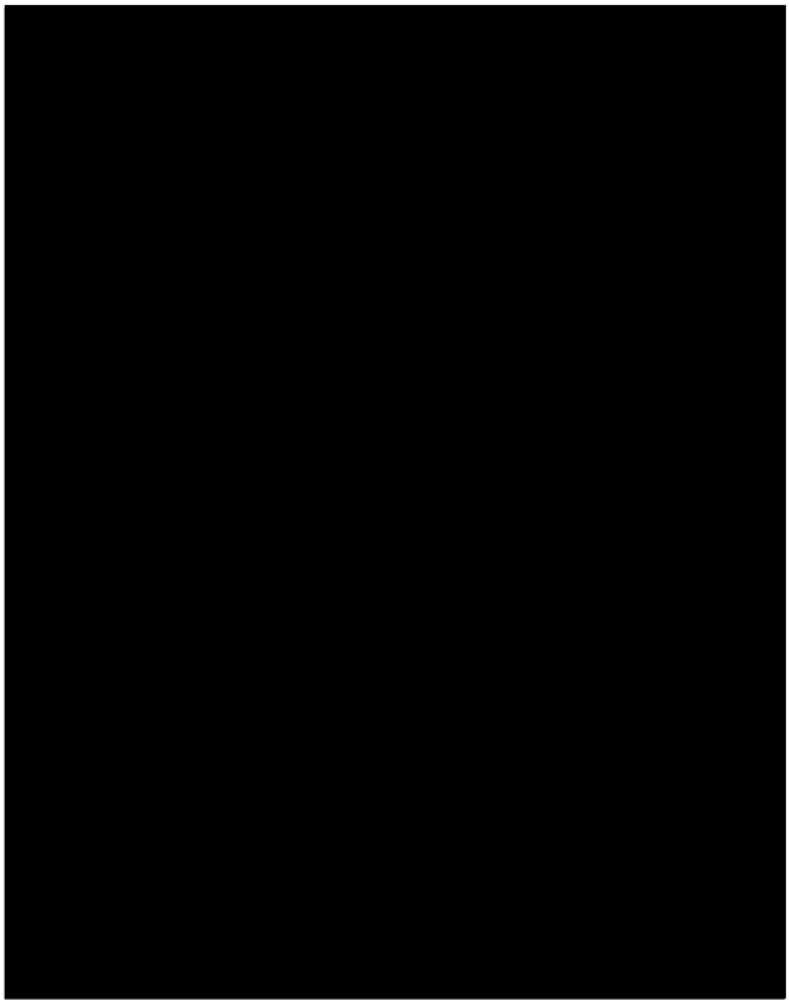

I am still in the process of trying to contact [redacted] and [redacted] I have tried contacting each of them by phone and in person and have been unsuccessful.

[redacted] sent me photographs of her injuries from the day after the altercation, which she took

herself. I uploaded these photos to RIMS.

01:48:42	11	Summary:	
	12	Confidential Victim (CV) and [redacted] have been in an intimate dating	
	13	relationship for seven months and live together. On 12/27/2020 (Case#20-3983), CV	
	14	and [redacted] were engaged in a verbal altercation which lead to [redacted] slashing all four	
	15	tires on CV's vehicle, preventing her from leaving the property. [redacted] then blocked the	
	16	vehicle with several large logs using a tractor to block the vehicle into the property. CV	
	17	left on foot for the day and returned later that night. CV locked herself into the master	
	18	bathroom for several hours until [redacted] was asleep. CV went into the living room and	
	19	[redacted] followed. [redacted] grabbed CV by her right arm, lifted her off the couch, and	
	20	struck her in the face. CV pleaded with [redacted] to not harm her, and [redacted] stated, "I'm	
	21	not gonna hurt you, I'm gonna kill you, bitch." [redacted] dragged CV into the bedroom by	
	22	her hair and attempted to tie her up with a bathrobe sash. CV resisted and was struck	
	23	over 30 times in the face and neck. [redacted] held CV down by grabbing her throat and	
	24	CV did not lose consciousness but had difficulty breathing. [redacted] left the room and CV	
	25	attempted to crawl into the bathroom. [redacted] returned and grabbed CV, dragging her	
	26	back into the bedroom. [redacted] left again and returned with a kitchen knife, stating,	
	27	"Look, bitch. I'm gonna slit your throat." [redacted] put his knee against the left side of	
	28	CV's head, pinning her to the floor. CV stopped resisting and allowed [redacted] to fully	
	29	restrain her with the bathrobe sash and a red thermal shirt. CV stated she lost the will to	
	30	live and believed [redacted] was going to kill her. [redacted]	
01:48:43	31	then dragged CV into the living room and left her on the floor. CV was able to talk	[redacted]
	32	[redacted] into not hurting her further. [redacted] told CV if he let her go and she called the	
	33	police, he was going to kill her. [redacted] also stated if Law Enforcement attempted to	
	34	arrest him, he would get into a shootout because he was not going to go to jail. [redacted]	
	35	released CV and carried her into the bedroom. The following morning, [redacted] left for	
	36	work but took CV's cell phone to prevent her from contacting Law Enforcement.	
	37	Several days later, her car was fixed, and she fled the house. [redacted] found out CV was	
	38	staying at the [redacted] through an unknown means and towed the vehicle	
	39	away to an unknown location. CV provided me with several photographs of her	
	40	injuries, and I could see visible injuries she still had from the incident. CV had collected	
	41	the items used to restrain her, which was collected as evidence. CV was granted an	
	42	Emergency Protective Order and completed a Citizen's Arrest form. Due to the level of	
	43	response needed to take [redacted] into custody, the S.W.A.T. commander did not feel it	
	44	necessary to attempt to arrest him at the house due to the time of night the report was	
	45	made. CV was able to get into contact with a Center for a Non-Violent Community	
	46	and get a different hotel and room in order to prevent [redacted] from coming back to her	
	47	location. I attempted to contact [redacted] but was unsuccessful. An I&B was completed	
	48	for [redacted] apprehension.

Evaluation Narrative for Deputy Vince Lee

Strength's/ Significant Accomplishments and Special Assignments:

Deputy Vince Lee has been assigned to "Green Graves" for this rotation. His uniform generally looks good and is serviceable. He is courteous to the public and has a very calm demeanor, even in stressful situations. He has a solid command presence and I can't think of a time I've heard him raise his voice when speaking with someone.

Deputy V. Lee is a K9 Handler. He and his K9 Partner, "Zeus" appear to have a good bond and Dep. Lee makes sure that Zeus is a part of our team. He takes the time to get him familiar with the other members on shift, which expect him to do and greatly appreciate. Dep. V. Lee is very active with Zeus and the two are well known throughout the community.

Dep. Lee is very knowledgeable on Patrol and as a K9 Handler. He is by far one of the most "naturally talented" young law enforcement officers I have ever seen. He has a knack for remembering faces and spotting criminal or suspected criminal activity. This is backed by his high number of proactive traffic stops and arrests. At the time of this evaluation, Dep. Lee leads the department in arrests (57 total, 16 felony and 41 misdemeanor). That's 20 more arrest than the Deputy with the second most arrest. These numbers are impressive, even with the Covid - 19 Pandemic taking its toll on our proactivity. Dep. V. Lee's prior supervisor (Sgt. [redacted] noted this same type of information in Dep. V. Lee's last evaluation, which shows that Dep. V. Lee is consistent in this area and continuously tries to be proactive.

Dep. V. Lee was one of the first Deputies to take advantage of the JAGG Grant OT. He conducted an operation for traffic enforcement in areas where speeding was an issue. He also is one of the few who continuously signs up for OT without being asked or ordered.

Employee's career goals (Long term):

Dep. V. Lee is the second handler with his K9 partner, Zeus. He wants to finish out Zeus' career but has expressed to me he probably won't take on another K9 assignment. I can understand this because of the time, commitment and effort it takes to work a dog however, he has a lot of experience and knowledge. I would hope he remains active with the Unit and K9 Program as an advisor to help mentor and coach younger and less experienced Deputies in this area.

In his previous evaluation, it was mentioned that Dep. V. Lee had some time management issues. This was specific to the areas of report writing and booking evidence. Although I have not seen any issues with evidence, he will sometimes hold some of the lesser priority reports to remain 10-8. I believe this is mainly driven by him wanting to go out and be proactive. He started to use Speakwrite which helped him to get reports done faster, however I have noticed he has not utilized it as much recently. I would like to see him continue to utilize this tool because I believe it helps him to manage his time and get all of his reports in quickly and in a timely manner.

Another area that might suit Dep. V. Lee would be the High Risk Probation Team. When this comes available again, I believe this would be a good fit, for a fast-paced, proactive Deputy like Dep. V. Lee. With TNT no longer being an assignment, I think Dep. V. Lee would gain some good experience when it comes to writing warrants, doing Operations Plans and Threat Matrix's.

I believe at times Dep. V. Lee doesn't realize that others look at how he carries himself, his cases and work product. Many young or lesser experienced Deputies see his results and want to emulate his proactive type of enforcement. Having him on my shift even motivates me to want to go out and look for cars/ people to stop. I would like to see him put forth this type of mentality and effort and step into more of a teaching role. I feel he would be a good Field Training Officer (FTO). He has a lot of knowledge and with that I would like to see him tap into this and become a teacher and role model for trainees and lesser experienced deputies in our agency. I also feel this would help to better shape his career, but also challenge him, which is what he needs. Without being challenged, he has the tendency to get bored. I feel Dep. V. Lee would benefit from this if he ever wanted to try and promote to Corporal or even Sergeant someday.

Areas for improvement for next evaluation (Short term):

I would encourage Dep. V. Lee to keep utilizing Speakwrite, which will help him immensely in his time management when it comes to reports. The more he uses this program, the easier and more familiar he will become with it.

Dep. V. Lee writes detailed reports. RIMS Reports shows he has a 10% kickback rate. This is mostly due to things like not attaching photos or remembering attachments and not so much for the content of his narratives. He was talked to by Sgt. [redacted] in the past about remembering to take photos and adding them into his cases. This was a good reminder about photographic evidence and helping to paint a picture for juries to see.

I would like to see Dep. V. Lee take more initiative and come up with briefing training topics. Again, he great knowledge, but I want to see him apply himself and share this knowledge so others can benefit.

Dep. V. Lee has expressed interest in becoming a member of the SWAT team. I highly encourage him to put in for this and feel he would benefit and make a good operator.

Overall Comments:

Dep. V. Lee is exceptional when it comes to being a proactive Deputy. He has what I refer to as the, "magic eye" for spotting criminal activity and has that solid, "street cop" mentality. He is fun to have on the shift and is well liked and respected by his peers. I enjoy being his supervisor and expect great things from him. He is a great asset to our agency and a solid Deputy.

Respectfully,

Sergeant [redacted] #[redacted]

Sheriff-Coroner

I have supervised Dep V. Lee for the last year and a half. During this time Dep V. Lee has remained the team's highest producer. Several of Dep Lee's cases have ended up on the department Facebook page. Dep Lee had an arrest where he seized approximately two pounds of methamphetamine and through that investigation a large amount of currency was also seized.

During a separate investigation, Dep Lee confuted a proactive stop and located approximately one pound of methamphetamine along with two stolen pistols. This type of proactivity what Dep Lee is known for.

Dep Lee is my shift's K9 handler and in my humble opinion, Dep Lee's K9 partner Zeus is the best K9 our offices has. This is a direct reflection of Dep Lee and the hard-continual work he puts in with the K9 Unit. I have received verbal compliments form the K9 supervisor and the K9 trainers.

Dep Lee is a natural at his profession, he continually leads the department in arrests. Arrests are important however, Dep Lee never allows his assigned beat to become neglected. I have seen several times where Dep Lee will stop what he is doing to handle a call in his beat to prevent someone else from taking the call.

Early in the rotation, Dep Lee had some issues with time management, evidence and, updating incidents however, after implementing some changes we were able to successfully turn these around. The last few months Dep Lee has shown some great improvement and there have been some strong leadership qualities that have emerged.

Even though Dep Lee has only been a deputy for a few years, senior deputies on this shift look to him for guidance and direction. I have been Dep Lee's supervisor for approximately a year and a half now. During this time Dep Lee has shown tremendous improvement.

Dep. Lee is a dependable team member and is always the first to volunteer for any assignment. On several occasions, administration has requested I find someone to cover a shift in a pinch and Dep Lee always volunteers for that assignment. Dep Lee maintains a strong work ethic and is always available. I have enjoyed being Dep Lee's supervisor and I see great things for Dep Lee in the Sheriff's Office.

Sincerely,

Dep Vincent Lee Annual Evaluation Notes 11/01/18 Completed by Sgt [redacted]

#5. Work Habits:

I have had the privilege of working with Dep Lee for the last year. During that time he has continually shown a high level of job knowledge in regards to his time on as a peace officer. In relation to his peers with similar time on, he shows a higher knowledge of case law and penal codes. Recently I held a briefing training where Dep Lee knew the case law prior to my teaching it. Dep Lee continually keeps himself proactive.

#6. Volume of Work:

Dep Lee continues to produce above average work. He maintains a high level of motivation and drive. Dep Lee currently leads the entire department in arrest. The reason why this is impressive is because it is contagious. Dep Lee motivates his peers to be at the top of that list in arrests and proactivity.

Dep Lee is frequently asking pertinent questions on how to improve himself and his knowledge. He continually submerges himself in his cases and adequately self-evaluates ways to improve.

#9. Acceptance of Responsibility:

Dep Lee is always willing to accept extra responsibilities. He continues to be the most proactive worker on the team. Dep Lee holds himself to a high standard.

#17. Safety:

Dep Lee is a quick learner and willing to submerge himself in something new to gain knowledge. During the teams briefing trainings we commonly conduct building clearing/room searches. During these trainings new tactics were taught and at the end of the training Dep Lee had a strong grasp of the topics. Due to our current staffing levels I have had the privilege of responding to calls for service with Dep Lee. On these calls I observe his officer safety. Dep Lee operates with a high level of officer safety.

#20. Attendance:

Dep Lee constantly volunteers to come in early and stay late. Dep Lee is one of the most dependable deputies in the department. I have received compliments on Dep Lee's willingness to cover shifts in short notice.

Subject: Lost county property (mobile phone)

Good afternoon,

On 11/17/2020, at about 1400 hrs, I conducted a traffic enforcement stop near Sonora Police Dept. I placed my work phone on the hood of my patrol car and proceeded to write the subject I was out with a citation. I completed the citation and released the subject from the scene. By mistake, I drove my patrol car with my phone still on the hood. I made another traffic stop at the intersection of [redacted], then another at the top of [redacted]. At this time, I realized I did not have my department issued cell phone. I retraced my steps trying to look for the phone and could not locate it. I reported to [redacted] and let her know about the lost phone. I also explained I did not have a passcode set up on the phone and asked that the phone be immediately disabled. [redacted] contacted Verizon immediately to try to set that up. I apologize for any inconvenience to the county especially during these difficult times.

Sheriff-Coroner

June 7, 2021

Vincent Lee

Re: Notice of Proposed Disciplinary Action

Deputy Vincent Lee:

Under Rule 9 of the County of Tuolumne ("County") Personnel Rules and Regulations and Article 16 of the Memorandum of Understanding between the County of Tuolumne and the Tuolumne County Deputy Sheriffs' Association ("DSA MOU"), I am proposing to terminate your employment as a Deputy Sheriff with the Tuolumne County Sheriff's Department ("Department"). If my recommendation remains unchanged following completion of any pre-disciplinary review in this matter, your termination will be effective following final written notice of your termination.

AUTHORITIES UPON WHICH MY RECOMMENDATION IS BASED

I am recommending your termination based on your violation of the following rules, regulations, orders, and policies. A violation of any one of the sections below is sufficient to support your termination from employment and the decision need not be based on a finding that you violated each policy set forth below.

Tuolumne County Sheriff's Office Policies:

TCSO Policy 100.3 Law Enforcement Authority

It is the policy of the Tuolumne County Sheriff's Office to limit its members to only exercise the authority granted to them by law. While this office recognizes the power of peace officers to make arrests and take other enforcement action, deputies are encouraged to use sound discretion in the enforcement of the law. This office does not tolerate the abuse of law enforcement authority.

TCSO Policy 340.3.1 Ethics

(a) The wrongful or unlawful exercise of authority on the part of any member for malicious purpose, personal gain, willful deceit or any other improper purpose.
(g) Any other failure to abide by the standards of ethical conduct.

TCSO 340.3.3 Relationships

(a) Unwelcome solicitation of a personal or sexual relationship while on-duty or through the use of one's official capacity.
(b) Engaging in on-duty sexual activity including, but not limited to, sexual intercourse, excessive displays of public affection or other sexual contact.
(c) Establishing or maintaining an inappropriate personal of financial relationship, as a result of an investigation, with a known victim, or as a direct result of any official contact.

(e) Associating on a personal, rather that official basis with persons who demonstrate recurring involvement in serious violations of state or federal laws after the member knows, or reasonably should know of such criminal activities, except as specifically directed and authorized by this office.

TCSO 340.3.5 Unauthorized Access, Disclosure or Use

(d) The use of any information, photograph, video or other recording obtained or accessed as a result of employment or appointment to this office for personal or financial gain or without the express authorization of the Sheriff or the authorized designee.

TCSO Policy 340.3.6 Efficiency

(b) Unsatisfactory work performance including, but not limited to, failure, incompetence, inefficiency or delay in performing and/or carrying out proper orders, work assignments or the instructions of supervisors without a reasonable and bona fide excuse.

TCSO Policy 340.3.7 Performance

(i) Any act on-or off-duty that brings discredit to this office.

TCSO Policy 340.3.8 Conduct

(c) Exceeding lawful peace officer powers by unreasonable, unlawful or excessive conduct.
(f) Discourteous, disrespectful or discriminatory treatment of any member of the public or any member of this office or the county.
(h) Criminal, dishonest, or disgraceful conduct, whether on-or off-duty, that adversely affects the member's relationship with this office.

(m) Any other on- or off duty conduct which any member knows or reasonably should know is unbecoming a member of this office, is contrary to good order, efficiency or morale, or tends to reflect unfavorably upon this office or its members.

TCSO Policy 343.3 Policy of Expeditious Reporting

FACTS SUPPORTING THE CHARGES

The following is a summary of the facts supporting my recommendation to terminate your employment.

THE COMPLAINT OF MISCONDUCT

On January 8, 2021, [redacted] filed a domestic violence complaint that resulted in issuance of a search warrant. During service of the warrant, [redacted] then fiancé and current husband, [redacted] was shot and injured in an officer involved shooting. [redacted] reported several incidents to the Sheriff's Office related to battery and domestic violence involving [redacted] You personally responded to two of those incidences on July 23, 2020 and July 26, 2020.

Following the officer involved shooting, Department detectives performed a forensic analysis of [redacted] cellular phone, During the forensic analysis of the phone, the Department discovered approximately 150 text messages that were exchanged between [redacted] cell phone and your personal cell phone. Most messages you exchanged with [redacted] were dated July 26, 2020, which is the same date you responded to the Sheriff's lobby and met with [redacted] who was reporting a battery against her by several individuals. [redacted] sought a criminal report and advice about obtaining a restraining order.

You provided [redacted] with your personal cell phone number and instructed her to send you photos of her injuries. Despite the fact that you have a Department issued cell phone, you did not provide [redacted] with the number for your County issued cell phone. [redacted] sent you approximately five photos of her face with injuries from the alleged battery within an estimated 20 minutes of you concluding the interview.

In response to the pictures [redacted] sent, you responded with an inappropriate text message that stated, *"You clean up nice! You're welcome,"* which leads to additional text messages between you and [redacted] As discussed in more detail below your text message exchange with [redacted] continued throughout your patrol shift and into the night. The messages between you and [redacted] became explicit and described sexual acts. At one point you offer to pay [redacted] via "Venmo" in exchange for virtual sex via "FaceTime". [redacted] also sent you several pictures that were sexual in nature, in which you responded with compliments and told her you were, "*going to masturbate*."

On August 3, 2020, you issued a case status for [redacted] case as "refer to DA's office for criminal complaint." However, the audit trail shows that you later changed the case status to "conducting follow-up- information only," You continued as the lead deputy on the case and did not have the case reassigned. The report is missing substantial information directly related to [redacted] allegations. [redacted] reached out to you several times on your personal phone regarding the status of her report and options to obtain a restraining order. You stopped responding to [redacted] but never followed through with sending her report to the District Attorney's office for review or prosecution.

[redacted] attached a message of "Thank u," with the photos of her injuries. You responded to the pictures she sent you with, "*You clean up nice! You're welcome.*" [redacted] responded to you with, "*Wow, I needed that,*" and asked you about obtaining a restraining order for her case. The text messages continue through your patrol shift and continue into the night after you are off duty. The text messages gradually increase with sexual content; photos, language, and a request by you for virtual sex via "FaceTime" for which you offered to pay her through Venmo.

You authored a case report on this incident and failed to finish the follow up investigation required in this case. You also failed to route the case to the District Attorney's Office for review and prosecution.

On July 31, 2020, [redacted] contacted you via text message requesting the case number for this incident to assist her in obtaining a restraining order. You responded and said that you would give it to her in a c couple of hours when you got to work.

You responded via text that you were away from work and "did not want to get in trouble for talking to her." You did not refer her to another deputy or to dispatch to get help with her situation. During this, time the status of her case remained in "information only, deputy conducting follow-up" and you had not had the matter reassigned.

(Incident #2010170064)

On December 27, 2020, at about 0830 hours, [redacted] called the Sheriff's Office reporting [redacted] was slashing her car times and assaulting her. Deputies responded to the scene and located the vehicle. (Incident #2101080105) (Case #21000094)

On January 8, 2021, at about 1626 hours, [redacted] called the Sheriff's Office to report herself as a victim of domestic violence. Due to the nature of the crime a search warrant was served on [redacted] at his residence. This incident resulted in an officer involved shooting with [redacted] when he presented himself with a handgun.

You were called in to work to assist patrol while the shooting was being investigated. You viewed this incident in our Cad system.

On January 12, 2021, during the investigation of this incident TCSO investigators performed a Cellebrite investigation on [redacted] cell phone and discovered her text conversations with you that began on July 26, 2020. The investigator reported this information to PSD.

Review of Mobile Device GPS report and the digital photographs and messages obtained by the forensic cell phone extraction

Cellebrite is a software program designed to extract information from electronic devices, primarily mobile devices and cell phones. All the text messages and photos that were sent between [redacted] and you are time stamped.

On January 13, 2021, a comparative review of all three Cellebrite reports was done. The following is a summary of the information that was extracted.

The text messages begin at about 1427 hours on July 26, 2020 while you were still on duty and in uniform. They initially can be described as flirtations and quickly escalate to more explicit messages. You worked the dayshift on July 26, 2020 and your shift started at 0600 hours and ended at 1800 hours. A GPS report of your assigned Mobile Device in your assigned vehicle, confirmed that your patrol vehicle arrived at your temporary residence on [redacted] at about 1807 hours, and no further movement is recorded from the patrol car.

After the initial text messages of [redacted] injuries and a few other messages, [redacted] writes, *"Maybe you will see more of me soon, hmm"* to which you respond with *"send whatever you want this is my personal phone not my work phone."* [redacted] texts you informing you of her webcam girl business, to which you respond, "*Did you really do that? That's badass*." In between these text messages there are random questions about obtaining restraining orders to which you provide responses to [redacted] inquiries. At about 1741 hours, [redacted] confirms she is a webcam girl, "*Yes, I did $6 a min all by myself in my room with a lap top u wouldn't mind that.*" You responded to [redacted] with, "*Damm, you're gonna get me in trouble!"*

From this point on you are off duty but your conversation with [redacted] via text message continues until 2223 hours.

You continue to exchange messages with [redacted] complimenting her on her status as a webcam girl. At one point, you ask for a preview and you assure her that you won't show anyone. You follow up the request with, *"What kind of stuff do you do?"* [redacted] responded with *"If you were in a relationship would you pay for 10 mins to watch me play with myself?"*. You responded with *"Id pay you with Venmo or something to FaceTime. Would you do that?"* [redacted] indicates she would, *"Do a naughty Face Time only cause u r so freaking cute hot especially in your uniform I almost died when you walked in dam u r fine"* Both you and [redacted] engage in phone sex via text messaging. You tell [redacted] that you fantasize about rough sex and you write, *"I like older women. Especially when they're wild. A lot of ditry talking. Calling yourself my little whore and shit like that."*

You and [redacted] exchange messages about your relationship being, "*Risky*" and you both assure each other that nobody will get in trouble. You wrote, "I'll trust you." [redacted] responded, "*Same here usually I don't care how fine y r I didn't trust cops no more after last summer."* There are several text messages about whether one another has children, then the conversation turns to you thanking her for all the pictures and describing them as, *"So hot*". [redacted] sent you several provocative photos of her in lingerie and swimwear.

The conversation turns to texts about personal grooming and you wrote, *"Lets see you. I wanna see every inch of your naked. All of it."* [redacted] describes, "riding you like one of my barrel horses." You replied, "*you would look so hot bouncing on my hard cock.*" Both you and [redacted] exchange several more text messages and pictures prior to ending the conversation. [redacted] closes the conversation by texting, "*Thank u still great to meet an officer that is human and real than u."*

Your interview as part of the IA Investigation

The PSD interviewed you on February 18, 2021. Prior to you interview, you received a Miranda warning, a Lybarger admonition, and you were ordered to tell the truth. During this interview, you acknowledged that you completed a P.O.S.T. certified law enforcement academy and possess a basic P.O.S.T. certificate. You confirmed that you learned how to investigate crimes such as battery, domestic violence and the procedures associated with documenting the incidences in a criminal report. You admitted to being familiar with the term "cycle of violence," and that you have been involved in investigating about 100 battery cases and over 50 domestic violence cases. In your interview you were able to explain the investigating procedures of a domestic violence investigation. You admitted to being familiar with the domestic violence report submission requirements to the District Attorney's Office.

You stated that you met [redacted] in the Sheriff's Office lobby for a report and that she reported to you a battery that was committed by three women that she believed were there at the request of [redacted] You stated that her statement to you was credible and that you believed she was telling you the truth. You were shown the case report that you authored but never submitted to the District Attorney. You acknowledged that the investigation was incomplete and that the investigation was delayed. You stated, "I should've written the report, submitted it and then completed supplemental reports, but with this one I waited and tried to contact everyone." You stated that not turning in [redacted] report to the District Attorney was an oversight and not an act to intentionally keep the report from reaching the District Attorney's office to hide, your relationship with [redacted]

You admitted to giving [redacted] your personal cell phone number and having an "exchange of text messages" with [redacted] soon after you met her in the lobby to take her report. You acknowledged that soon after [redacted] sent you the photos of her injuries from the assault that you initiated further conversation that quickly turned sexual in nature. You responded to [redacted] photos of her injures with, "*You clean up nice!*" You stated that during your text exchange with [redacted] that she inquired about obtaining a restraining order. After a couple of text messages regarding the restraining order you texted [redacted] "*Just let me know when you need a complement and I'll give you one.*" You stated in your interview that this was an inappropriate response to her inquiring about restraining orders to protect herself.

You were shown all of the text messages that were sent and received by you, including the photos of [redacted] that were sexual in nature, that were contained in the Cellebrite reports. You stated that you, "wouldn't dispute any of the information in the reports."

You admitted that the purpose of the exchange of sexual text messages with [redacted] was to get sexual gratification over the phone and that you never intended to actually meet with her. You had a conversation with [redacted] about her being a "webcam girl" and you acknowledged that you understood that to mean that a webcam girl performs sexual acts virtually for money. You admitted that when you asked her for a "preview" that you were requesting a picture of [redacted] You later requested a naked picture of [redacted] You admitted to telling [redacted] your fantasy would be to have rough sex with her and that she would refer to herself as your "little whore". You admitted to having a text conversation about [redacted] performing acts on "Face Time" and that you were willing to pay her via "Venmo". You admitted to telling [redacted] that you were going to masturbate. You also stated that she called you on "Face Time" and that you declined the call.

You admitted to knowing that these conversations with [redacted] a victim of domestic violence, were wrong and that you know you could get in trouble for having them. You acknowledged that victims of domestic violence are considered a vulnerable population and that [redacted] fit into this category. You admitted to knowing what the term "under the color of authority" meant and it was your opinion that your contact with [redacted] was outside the scope of operation "under the color of authority."

[redacted] SOCIAL MEDIA POSTS

On May 9, 2021, [redacted] posted a message on Facebook that stated:

WHY DON'T U PROSICUTE YOUR OWN OFFICER VINCENT LEE WHO IS THIS MISSING GUYS BROTHER WHO EVER EVEN TOOK MY ASSULT OF 3 ON 1 NEVER REPORT FILLED BUT YET AFTER HAVING TEXT U PICS OF MY BRUISES U TRY YO GET PORN VIDEOS FROM ME FUCKING BULLSHIT IF U ASK ME FUCK OFF TUOLUMNE COUNTY SHERIFF US SUCK

REVIEW OF YOUR PERSONNEL FILE

PSD conducted a review of your personnel file. Your last five evaluations listed entries by your immediate supervisors during the grading period that described you as having numerous late reports, untimely follow-up, untimely booking of evidence, reports returned for corrections, failing to include attachments to reports, failing to include photographs to reports, and poor time management.

ANALYSIS

In *Skelly v. State Personnel Board* (1975) 15 Cal.3d 194, the California Supreme Court stated that the "overriding consideration" when addressing whether a public employer has imposed an appropriate level of discipline is "the extent to which the employee's conduct resulted in, or if repeated, is likely to result in, 'harm to the public service.'" (*Id.* at 218.)

"Other relevant factors include the circumstances surrounding the misconduct and the likelihood of its recurrence." (*Id.*)

Your conduct in this case unquestionably harms the public service and reveals that you are unfit to serve as a Deputy in this Department. Your actions violated the policies identified above.

The evidence supports the conclusion that you engaged in an inappropriate on duty "sexting" relationship with [redacted] on July 26, 2020 and continued texting her while you were off duty. The IA Investigation revealed that you were in uniform and on duty at the time this relationship started. Furthermore, your failure to properly document her report of a crime and to file it with the District Attorney's office was unwarranted.

What is especially disturbing is that within minutes of taking a report where [redacted] reported to you that she was beaten by women at her fiancés request and sending you photos of her gruesome injures, you engage her in flirtatious behavior for your own personal sexual gratification. This is indicative of predatory behavior for the purpose of power over a vulnerable victim who was experiencing the "cycle of violence". By properly investigating this case and aiding [redacted] in obtaining a restraining order, you may have been able to help her avoid being nearly beaten to death by [redacted] on December 27, 2020 and ultimately avoided the officer involved shooting our agency was a part of on January 9, 2021.

This inappropriate relationship lasted for the remainder of your shift and into the night. You and [redacted] engaged in sexually explicit texts that included requests for photos that were sexual in nature and sending photos that were sexual in nature. At various stages of the text messaging, [redacted] asked you for advice on how to obtain a case number and a restraining order. You provided answers to [redacted] questions; however, the text messaging would segue back to sexual content. At one point you requested live sex videos in exchange for payment via "Venmo". According to your statement, [redacted] sent you a Face Time request which you did not accept. The text messaging between you and [redacted] on July 26, 2020 ended at approximately 2223 hours.

Day sand weeks later, [redacted] contacted you for updates on her case and advice on obtaining a restraining order. At one point she confided in you that her life was in danger. You never helped her or redirected her to anyone who could. As noted above, you also had not referred her case to the District Attorney, which, especially combined with you inappropriate text message with [redacted] was inexcusable.

Your behavior brought mistrust and discredit to the Department. It also disrupted the efficiency of the Department. These actions violated Tuolumne County Sheriff's Policy, County Rules and Regulations, and the Deputy Sheriff's Association MOU.

Your conduct during this incident demonstrates your unwillingness to conform to department rules, policies and orders. Those requirements exist for the safety of the public and personnel, as well as to ensure the Department's operations do not violate the rights of citizens.

Your conduct also severely compromised your credibility as a Deputy Sheriff in the eyes of your co-workers, the public, and this Department. The Tuolumne County Sheriff's Office cannot tolerate or condone the behavior you have demonstrated toward victims. Your conduct has exposed the Sheriff's Office to liability for the potential psychological injuries sustained by [redacted] The Department cannot continue to employ you when you have engaged in such egregious and irresponsible action. It leaves the Department with little choice other than to propose termination of your employment. For these reasons, I am proposing to terminate your employment as a Tuolumne County Deputy Sheriff.

NOTICE OF PRE-DISCIPLINARY RIGHTS

Pursuant to *Skelly* and Article 16, Section (F) of the DSA MOU, you have the right to appeal this action to Assistant CAO [redacted], either verbally or in writing within seven (7) calendar days after service of this notice. You may contact [redacted], the Executive Assistant to the CAO for an appointment at [redacted]. Although the pre-disciplinary conference is not designed to be a formal evidentiary hearing, you may be represented by legal counsel or another individual of your choice. Your failure to provide a written response or to request a pre-disciplinary conference will constitute a waiver of your right to provide a response. Accordingly, the Assistant CAO's decision to either sustain, modify, or reject this recommendation will be based upon a review of this Notice of Intent and its attachments.

In arriving at this preliminary determination, I have reviewed and considered your entire personnel file. Although your file is not attached to this Notice of Intent, you may contact [redacted] the Assistant to the Sheriff to schedule an appointment for you and/or your representative to examine or copy your personnel file during business hours.

FACTS SUPPORTING THE CHARGES

The following is a summary of the facts supporting my recommendation to terminate your employment.

THE COMPLAINT OF MISCONDUCT

On January 8, 2021, [redacted] filed a domestic violence complaint that resulted in issuance of a search warrant. During service of the warrant, [redacted] then fiancé and current husband, [redacted] was shot and injured in an officer involved shooting. [redacted] reported several incidents to the Sheriff's Office related to battery and domestic violence involving [redacted] You personally responded to two of those incidences on July 23, 2020 and July 26, 2020.

Following the officer involved shooting, Department detectives performed a forensic analysis of [redacted] cellular phone, During the forensic analysis of the phone, the Department discovered approximately 150 text messages that were exchanged between [redacted] cell phone and your personal cell phone. Most messages you exchanged with [redacted] were dated July 26, 2020, which is the same date you responded to the Sheriff's lobby and met with [redacted] who was reporting a battery against her by several individuals. [redacted] sought a criminal report and advice about obtaining a restraining order.

You provided [redacted] with your personal cell phone number and instructed her to send you photos of her injuries. Despite the fact that you have a Department issued cell phone, you did not provide [redacted] with the number for your County issued cell phone. [redacted] sent you approximately five photos of her face with injuries from the alleged battery within an estimated 20 minutes of you concluding the interview.

In response to the pictures [redacted] sent, you responded with an inappropriate text message that stated, "You clean up nice! You're welcome," which leads to additional text messages between you and [redacted] As discussed in more detail below your text message exchange with [redacted] continued throughout your patrol shift and into the night. The messages between you and [redacted] became explicit and described sexual acts. At one point you offer to pay [redacted] via "Venmo" in exchange for virtual sex via "FaceTime".

[redacted] *also sent you several pictures that were sexual in nature, in which you responded with compliments and told her you were, "going to masturbate."*

On August 3, 2020, you issued a case status for [redacted] *case as "refer to DA's office for criminal complaint." However, the audit trail shows that you later changed the case status to "conducting follow-up- information only," You continued as the lead deputy on the case and did not have the case reassigned. The report is missing substantial information directly related to* [redacted] *allegations.* [redacted] *reached out to you several times on your personal phone regarding the status of her report and options to obtain a restraining order. You stopped responding to* [redacted] *but never followed through with sending her report to the District Attorney's office for review or prosecution.*

Review of Mobile Device GPS report and the digital photographs and messages obtained by the forensic cell phone extraction

Cellebrite is a software program designed to extract information from electronic devices, primarily mobile devices and cell phones. All the text messages and photos that were sent between [redacted] *and you are time stamped.*

On January 13, 2021, a comparative review of all three Cellebrite reports was done. The following is a summary of the information that was extracted.

The text messages begin at about 1427 hours on July 26, 2020, while you were still on duty and in uniform. They initially can be described as flirtations and quickly escalate to more explicit messages. You worked the dayshift on July 26, 2020, and your shift started at 0600 hours and ended at 1800 hours. A GPS report of your assigned Mobile Device in your assigned vehicle, confirmed that your patrol vehicle arrived at your temporary residence on [redacted] *at about 1807 hours, and no further movement is recorded from the patrol car.*

After the initial text messages of [redacted] *injuries and a few other messages,* [redacted] *writes, "Maybe you will see more of me soon, hmm" to which you respond with "send whatever you want this is my personal phone not my work phone."* [redacted] *texts you informing you of her webcam girl business, to which you respond, "Did you really do that? That's badass." In between these text messages there are random questions about obtaining restraining orders to which you provide responses to* [redacted] *inquiries. At about 1741 hours,* [redacted] *confirms she is a webcam girl, "Yes, I did $6 a min all by myself in my room with a lap top u wouldn't mind that." You responded to* [redacted] *with, "Damm, you're gonna get me in trouble!"*

From this point on you are off duty but your conversation with [redacted] *via text message continues until 2223 hours.*

You continue to exchange messages with [redacted] *complimenting her on her status as a webcam girl. At one point, you ask for a preview and you assure her that you won't show anyone. You follow up the request with, "What kind of stuff do you do?"* [redacted] *responded with "If you were in a relationship would you pay for 10 mins to watch me play with myself?". You responded with "Id pay you with Venmo or something to FaceTime. Would you do that?"* [redacted] *indicates she would, "Do a naughty Face Time only cause u r so freaking cute hot especially in your uniform I almost died when you walked in dam u r fine" Both you and* [redacted] *engage in phone sex via text messaging. You tell* [redacted] *that you fantasize about rough sex and you write, "I like older women. Especially when they're wild. A lot of ditry talking. Calling yourself my little whore and shit like that."*

You and [redacted] exchange messages about your relationship being, "Risky" and you both assure each other that nobody will get in trouble. You wrote, "I'll trust you." [redacted] responded, "Same here usually I don't care how fine y r I didn't trust cops no more after last summer." There are several text messages about whether one another has children, then the conversation turns to you thanking her for all the pictures and describing them as, "So hot". [redacted] sent you several provocative photos of her in lingerie and swimwear.

The conversation turns to texts about personal grooming and you wrote, "Lets see you. I wanna see every inch of your naked. All of it." [redacted] describes, "riding you like one of my barrel horses." You replied, "you would look so hot bouncing on my hard cock." Both you and [redacted] exchange several more text messages and pictures prior to ending the conversation. [redacted] closes the conversation by texting, "Thank u still great to meet an officer that is human and real than u."

Your interview as part of the IA Investigation

The PSD interviewed you on February 18, 2021. Prior to you interview, you received a Miranda warning, a Lybarger admonition, and you were ordered to tell the truth. During this interview, you acknowledged that you completed a P.O.S.T. certified law enforcement academy and possess a basic P.O.S.T. certificate. You confirmed that you learned how to investigate crimes such as battery, domestic violence and the procedures associated with documenting the incidences in a criminal report. You admitted to being familiar with the term "cycle of violence," and that you have been involved in investigating about 100 battery cases and over 50 domestic violence cases. In your interview you were able to explain the investigating procedures of a domestic violence investigation. You admitted to being familiar with the domestic violence report submission requirements to the District Attorney's Office.

You stated that you met [redacted] in the Sheriff's Office lobby for a report and that she reported to you a battery that was committed by three women that she believed were there at the request of [redacted] You stated that her statement to you was credible and that you believed she was telling you the truth. You were shown the case report that you authored but never submitted to the District Attorney. You acknowledged that the investigation was incomplete and that the investigation was delayed. You stated, "I should've written the report, submitted it and then completed supplemental reports, but with this one I waited and tried to contact everyone." You stated that not turning in [redacted]'s report to the District Attorney was an oversight and not an act to intentionally keep the report from reaching the District Attorney's office to hide, your relationship with [redacted]

You admitted to giving [redacted] your personal cell phone number and having an "exchange of text messages" with [redacted] soon after you met her in the lobby to take her report. You acknowledged that soon after [redacted] sent you the photos of her injuries from the assault that you initiated further conversation that quickly turned sexual in nature. You responded to [redacted] photos of her injures with, "You clean up nice!" You stated that during your text exchange with [redacted] that she inquired about obtaining a restraining order. After a couple of text messages regarding the restraining order you texted [redacted] "Just let me know when you need a complement and I'll give you one."

You stated in your interview that this was an inappropriate response to her inquiring about restraining orders to protect herself.

You were shown all of the text messages that were sent and received by you, including the photos of [redacted] *that were sexual in nature, that were contained in the Cellebrite reports. You stated that you, "wouldn't dispute any of the information in the reports."*

You admitted that the purpose of the exchange of sexual text messages with [redacted] *was to get sexual gratification over the phone and that you never intended to actually meet with her. You had a conversation with* [redacted] *about her being a "webcam girl" and you acknowledged that you understood that to mean that a webcam girl performs sexual acts virtually for money. You admitted that when you asked her for a "preview" that you were requesting a picture of* [redacted] *You later requested a naked picture of* [redacted] *You admitted to telling* [redacted] *your fantasy would be to have rough sex with her and that she would refer to herself as your "little whore". You admitted to having a text conversation about* [redacted] *performing acts on "Face Time" and that you were willing to pay her via "Venmo". You admitted to telling* [redacted] *that you were going to masturbate. You also stated that she called you on "Face Time" and that you declined the call.*

You admitted to knowing that these conversations with [redacted] *a victim of domestic violence, were wrong and that you know you could get in trouble for having them. You acknowledged that victims of domestic violence are considered a vulnerable population and that* [redacted] *fit into this category. You admitted to knowing what the term "under the color of authority" meant and it was your opinion that your contact with* [redacted] *was outside the scope of operation "under the color of authority."*

[redacted] ***SOCIAL MEDIA POSTS***

REVIEW OF YOUR PERSONNEL FILE

PSD conducted a review of your personnel file. Your last five evaluations listed entries by your immediate supervisors during the grading period that described you as having numerous late reports, untimely follow-up, untimely booking of evidence, reports returned for corrections, failing to include attachments to reports, failing to include photographs to reports, and poor time management.

ANALYSIS

In Skelly v. State Personnel Board (1975) 15 Cal.3d 194, the California Supreme Court stated that the "overriding consideration" when addressing whether a public employer has imposed an appropriate level of discipline is "the extent to which the employee's

conduct resulted in, or if repeated, is likely to result in, 'harm to the public service.'" (Id. at 218.) "Other relevant factors include the circumstances surrounding the misconduct and the likelihood of its recurrence." (Id.)

Your conduct in this case unquestionably harms the public service and reveals that you are unfit to serve as a Deputy in this Department. Your actions violated the policies identified above.

The evidence supports the conclusion that you engaged in an inappropriate on duty "sexting" relationship with [redacted] on July 26, 2020 and continued texting her while you were off duty. The IA Investigation revealed that you were in uniform and on duty at the time this relationship started. Furthermore, your failure to properly document her report of a crime and to file it with the District Attorney's office was unwarranted.

What is especially disturbing is that within minutes of taking a report where [redacted] reported to you that she was beaten by women at her fiancés request and sending you photos of her gruesome injures, you engage her in flirtatious behavior for your own personal sexual gratification. This is indicative of predatory behavior for the purpose of power over a vulnerable victim who was experiencing the "cycle of violence". By properly investigating this case and aiding [redacted] in obtaining a restraining order, you may have been able to help her avoid being nearly beaten to death by [redacted] on December 27, 2020 and ultimately avoided the officer involved shooting our agency was a part of on January 9, 2021.

This inappropriate relationship lasted for the remainder of your shift and into the night. You and [redacted] engaged in sexually explicit texts that included requests for photos that were sexual in nature and sending photos that were sexual in nature. At various stages of the text messaging, [redacted] asked you for advice on how to obtain a case number and a restraining order. You provided answers to [redacted] questions; however, the text messaging would segue back to sexual content. At one point you requested live sex videos in exchange for payment via "Venmo". According to your statement, [redacted] sent you a Face Time request which you did not accept. The text messaging between you and [redacted] on July 26, 2020 ended at approximately 2223 hours.

Day sand weeks later, [redacted] contacted you for updates on her case and advice on obtaining a restraining order. At one point she confided in you that her life was in danger. You never helped her or redirected her to anyone who could. As noted above, you also had not referred her case to the District Attorney, which, especially combined with your inappropriate text message with [redacted] was inexcusable.

Your behavior brought mistrust and discredit to the Department. It also disrupted the efficiency of the Department. These actions violated Tuolumne County Sheriff's Policy, County Rules and Regulations, and the Deputy Sheriff's Association MOU.

Your conduct during this incident demonstrates your unwillingness to conform to department rules, policies and orders. Those requirements exist for the safety of the public and personnel, as well as to ensure the Department's operations do not violate the rights of citizens.

Your conduct also severely compromised your credibility as a Deputy Sheriff in the eyes of your co-workers, the public, and this Department. The Tuolumne County Sheriff's Office cannot tolerate or condone the behavior you have demonstrated toward victims. Your conduct has exposed the Sheriff's Office to liability for the potential psychological injuries sustained by [redacted] The Department cannot continue to employ you when you have engaged in such egregious and irresponsible action. It leaves the Department with little choice other than to propose termination of your employment. For these reasons, I am proposing to terminate your employment as a Tuolumne County Deputy Sheriff.

After careful consideration of these facts and information presented during your Skelly Hearing that occurred on June 29, 2021, where you and your attorney, Jason Jasmine, where present, I am upholding the proposed disciplinary action of termination from employment.

APPEAL RIGHTS
Pursuant to the DSA MOU, Article 16, Section H, you have the right to an evidentiary appeal of this order of disciplinary action. If you choose to exercise your right to appeal, you must do so by filing a written appeal with the Human Resources Office within seven (7) calendar days after service of the order. Any written appeal shall contain an answer to each charge in the order and designate the requested hearing body pursuant to Article 16, Section M.

WARNING AGAINST RETALIATION
This provision is to notify you it is illegal and inappropriate to retaliate against any person who has participated in complaining or providing information regarding the allegations against you as set forth above and in the attached Internal Affairs Investigation.

Sincerely,
