Achieving Scale

Environmental Compliance and Implementation

REASONS FOR SUCCESS

- YSS support for large landscape NEPA
- SB 901—CEQA Exemption
- 28 pre-qualified forestry/fuel reduction companies
- Local markets
- All Lands Approach—collaboration with Tuolumne County OES, Tuolumne Fire Safe Council and Bureau of Land Management on coordinated projects

CHALLENGES

- Sustained funding—moving away from competitive grants
- AB 338—Projects subject to prevailing wage
