

## **NAME**

The archive is named in honor of Carlo M. De Ferrari, a third generation Tuolumne County native son and “ Official Historian of Tuolumne County,” a title bestowed in 1972 by the Tuolumne County Board of Supervisors in recognition of his extensive knowledge of local history and his dedication to its preservation.

## **ORGANIZATION**

The governing body of the Carlo M. De Ferrari Archive is the Tuolumne County Board of Supervisors. The county Assessor-Recorder oversees general administration of the archive. The Records and Archive Manager coordinates daily operations. All records accepted for preservation in the archive should have an historical connection to official county governmental business. Volunteers from the Tuolumne County Historical Society and the Tuolumne County Genealogical Society accession/index records. The archive is largely dependent on volunteers to perform its mission.

## **REFERENCE / RESEARCH**

We answer questions about the records and requests for specific information from the records that involve a reasonable amount of research. We will check specified, easily searched indexes for a name. Extensive research or issues involving questions of judgment cannot be undertaken, but recommendations will be made for further research.

## **LOCATION**

The Carlo M. De Ferrari Archive is located at 490 Greenley Road in Sonora behind the Tuolumne County Library. Also located nearby is 49'er Rotary Park with a picnic area, a popular Heaven for Kids playground for young children, Skate Park, Senior Center and Vietnam War Memorial.

## **HOURS /ACCESS**

The Research Room is open by appointment. You can reach us at (209) 536-1163. Appointments are available Tuesday through Thursday from 8:30 am to 4:00 pm. As a Tuolumne County supported repository of public records, the archive is open but subject to limitations and restrictions necessary to preserve and ensure the safety of the records. For this reason the staff may insist on the use of microfilm or scanned copies instead of the original records. Requests to access Superior Court Records must be approved by the Court. Researchers need not write in advance, but it is often helpful. Our mailing address is:
