**LODE MINING CLAIM
LOCATION NOTICE**

TO WHOM IT MAY CONCERN: Please take notice that:

1. The name of this claim is _____, a lode mining claim.
2. This claim is situated in Section _____, Township _____, Range _____, _____ Meridian,
in the _____ Mining District (if known), County of Tuolumne, State of California.
3. The date of this location is the _____ day of _____ on which date the notice of location was posted
on the claim.
4. The locator or locators of this claim are:
Name(s) Current Mailing or Residence Address

5. Each locator is a citizen of the United States, or has declared intention to become such.

6. The locator(s) do(es) hereby locate and claim _____ linear feet of this vein or lode, together with surface
(Not to exceed 1500)
ground extending _____ feet in width on each side of the middle of the vein or lode and more particularly
(Not to exceed 300)
described as follows:

Commencing at the monument where this notice is posted, which monument is at the point of discovery on said vein or lode
and on the center line of this location, _____ hereby claim _____ feet extending in a _____ erly
and _____ erly direction.

7. The discovery monument is situated about _____
(Distance from natural object or permanent monument and give direction as
accurately as possible, to identify the claim located.)

8. All dips, variations, spurs, angles and all veins, ledges, or deposits within the lines of this claim, together with all water and timber
and any other rights appurtenant, allowed by the laws of this State or of the United States are hereby claimed.

LOCATORS

**STATEMENT OF THE MARKING OF THE BOUNDARIES
AND OF PERFORMANCE OF LOCATION WORK**

NOTICE IS HEREBY GIVEN by the undersigned locator that in accordance with the provisions of the Mining Law:

1. The boundaries of the claim have been defined so that they can be readily traced on the ground. There has been erected
at the discovery point, at each corner and at the center of each end line of the claim _____
(Here described the monuments, giving type
and size.)

Each corner monument bears or contains marking to designate the corner and name of the claim.

2. The claim is situated in Section _____, Township _____, Range _____, _____ Meridian.

DATED _____, _____ LOCATORS _____

of the claim surveyed and the location thereof, and © that the description incorporated in the declaratory statement is sufficient to identify the claim, such survey and certificate becomes a part of the record, and such is prima facie evidence of the facts therein contained.

2313. (a) Within 90 days after the posting of his notice of location upon a lode mining claim, placer claim, tunnel right or location, or millsite claim or location, the locator shall record in the office of the county recorder of the county in which such claim is situated a true copy of the notice together with a statement by the locator of the markings of the boundaries as required by this chapter and the character of such markings, which statement shall also include the section or sections, township, range, and meridian of the United States survey within which all or any part of the claim is located. Any person who willfully makes a false statement with respect to any mining claim on the posted location notice or on the recorded notice or accompanying statement shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine not exceeding one hundred dollars (\$100) or by imprisonment in the county jail not exceeding six months, or by both such fine and imprisonment.

* 2316. (Definition of a conspicuous and substantial monument.) A wooden post or stone structure not less than 3 ½ inches in diameter or a metal post not less than two inches in diameter projecting at least three feet above the ground and set at least one foot in the ground, or a mound of stone at least three feet in height above the ground.
